

# Coffee Mill Ski & Snowboard Resort

---

SEASON PASSES ON SALE NOW through September 24<sup>th</sup>.

Even now, you can bank on one thing: steady season pass rates at Coffee Mill Ski & Snowboard Resort. For a record FIVE straight years we have kept our season passes the same price! We are maintaining our commitment to have the best on-the-snow experience for the best price around.

The big news of the summer is that Red Bull energy drinks built the Red Bull Dreamline BMX track on Midway. They will be doing a made-for-TV competition September 23 and 24<sup>th</sup>. This is one attempt to put Coffee Mill and Wabasha on the map! They have a You Tube video you can see on our homepage! Once they are done, all of the dirt will be put back and we'll have skiing and snowboarding as usual.

In other news, we are also in the process of adding a handle tow to Midway and possibly adding Tubing on Singing Hill. Our plan is to move the terrain park on Singing Hill to the Barnstormer Run. We may not be able to purchase all of the equipment to allow us to go tubing this season, so we may have to wait until next season.

We have slightly modified our hours this season as well. We will be closing at 9pm every night except Sunday, which will be 8pm. Friday's we be open at 4pm, and all other times will remain the same.

We are currently hiring for various full-time and part-time positions. Part-time positions in the ticket booth, kitchen, lift operations, rental shop, and ski and snowboard school are all available. Once again we will be hiring full-time lift operators. If you or anyone you know is interested, please have them go to the website and fill out an application.

This year's annual fall cleanup is scheduled for Saturday, November 12<sup>th</sup>, starting at 8:00 am. Don't forget your weed whacker and make sure to bring a smile on your face! Once again, lunch will be served to those who help out, by the Coffee Cafe's very own Dave Kruger.

The Ski Patrol Ski Swap is Saturday October 15<sup>th</sup> from 12-8pm in the 4-H building at the Olmstead County Fairgrounds in Rochester MN. The proceeds from this swap benefit the Coffee Mill Ski Patrol. If you can't find what you need there, try the second annual Coffee Mill Swap and Social in the chalet on November 19<sup>th</sup>.

Thanks again for your support, don't hesitate to call if you have any questions.

Sincerely,

Brian Fries  
General Manager  
Coffee Mill Ski & Snowboard Resort
