

Coffee Mill Ski & Snowboard Resort

SEASON PASSES ON SALE NOW!

Right now is the best time to get a great deal on a season pass at Coffee Mill. For the third straight year, Coffee Mill has kept its season pass rates the same, giving our loyal season pass holders the best bang for their buck!

In addition to some paint and stain on some of the lift shacks and lift towers, we have updated some of our snowmaking systems over the summer. The biggest change however, is the new roof on the chalet. Part of our long term lease agreement with the Wabasha County Fair included replacing the 30 year old roof on the chalet.

We are currently hiring for various full-time and part-time positions. Part-time positions in the ticket booth, kitchen, lift operations, rental shop, and ski and snowboard school are all available. This season we will be hiring full-time lift operators. If you or anyone you know is interested, please have them go to the website and fill out an application.

This year's annual fall cleanup is scheduled for Saturday, November 21, starting at 8:00 am. Don't forget your weed whacker and make sure to bring a smile on your face! Once again, lunch will be served to those who help out, by the Coffee Cafe's very own Dave Kruger.

Don't hesitate to call if you have any questions! Thanks again for your support.

Sincerely,

Brian Fries
